

Seismic Public Meeting Notice

To the Citizens and Landowners of Lincoln, Jackson, Bienville and Claiborne Parishes, Louisiana

Dawson Geophysical on behalf of Seitel Data LTD will be conducting seismic activity in a 150 square mile area in Parts of Bienville, Jackson, Claiborne and Lincoln Parishes. The survey area includes east part of Bienville Parish in the area of the following roads; state roads 507, 147, 797, 815, US 80, I20, state road 151, and state road 9 and including the town of Arcadia, SE part of Claiborne Parish around State Roads 533 and 519 and Nicholson Road, Part of Grambling, Part of Simsboro and Walnut Creek Road and Reese Road north of I-20 and areas south of I-20 near State Roads 3005 and 815 and near Dicks Store Road and Monday Road in Lincoln Parish, and in Jackson Parish near Levi McCullin, Ansley and Grigsby Roads.

The survey will take place between March 2017 and March 2018. The operations will include field surveying, drilling of shot holes and positioning seismic recording equipment along surveyed receiver lines within and throughout the full 150 square mile project area.

There will be a public meeting located at the Bienville Police Jury room in the courthouse in Arcadia starting at 6:00 P.M. on March 8, 2017 to answer any questions pertaining to this seismic survey.

Meeting Location: Bienville Parish Courthouse on Gap Farms Road in Arcadia Louisiana.

Take exit for Highway 151 then north to frontage road (Gap Farms Road) then west to courthouse.

The meeting will begin at 6PM and last until 7PM.

For additional details pertaining to the seismic survey prior to the public meeting date contact Chris Kell at 469-693-6314.

An outline of the seismic project showing the potential area to be affected is located at
