

Seismic Public Meeting Notice

To the Citizens and Landowners of Red River, Louisiana

MicroSeismic Inc. will be conducting passive seismic activity in North West Red River Parish, around highway 1 and LA 509 area. This program will be monitoring Hydraulic Fracture activity, and will not require any active sources such as vibrators or dynamite.

There will be a public meeting located at Coushatta Country Club starting at 6:00 P.M. on 4-11-17 to answer any questions pertaining to this seismic survey.

Meeting Location: Coushatta Country Club 843 Bogan Ln. Coushatta, La 71019

The Frac will begin around 4-13-17 and last until 5-30-17.

For additional details pertaining to the seismic survey prior to the public meeting date contact Brad Allen at 662-414-6289

An outline of the seismic project showing the potential area to be affected is located at <http://www.wlf.louisiana.gov/fishing/seismic-exploration-activity-program> under the public meeting tab located at the top of the page.
